

**MATERIAL SAFETY DATA SHEET**

**IDENTIFICATION**

**Product Name:   TIMBER PLUS**

Trade Name:	U.N. Number:	3266
Other Names:	Dangerous Good Class/ & Subsidiary Risk:	Corrosive class 8
Manufacturers Code:	Hazchem Code:	2X
	Poison Schedule:	3 <sup>rd</sup> Schedule Poison

**Use:                   Gum build up cleaner/degreaser**

**Physical Description/Properties**

Appearance:	Clear, amber liquid
Boiling Point (°C)	>100°C
Vapour Pressure (mm Hg@25°C)	24mm
Per Cent Volatiles:	55%
Specific Gravity @ 20°C	1.3
Flash Point:	Nil
Flammability Limits (%):	Nil
Auto ignition Temperature (°C)	Nil
Plus other properties if applicable	

**Ingredients**

**Chemical Entity**

**(Include all**

**hazardous Ingredients)**

Sodium Hydroxide

Sequestering Agents/Medium Surfactants

**Proportion**

**(High 60%)**

**(Medium 10% - 60%)**

**(Low 10%)**

30%

Low

**HEALTH HAZARD INFORMATION**

**Health Effects**

Swallowed:	Soreness and redness of mouth and throat. Nausea, vomiting and stomach pain may occur
Eyes:	Pain and redness. Corneal burns may occur.
Skin:	Redness and irritation. Possible burns
Inhaled:	Shortness of breath, coughing and sore throat

---

This information is, to the best of our knowledge, true and accurate, but any recommendations or suggestions which may be made are without guarantee, since the conditions of use are beyond our control. Furthermore, nothing contained herein shall be construed as a recommendation to use any product in conflict with existing patents covering any material or its use.

**First Aid**

- Swallowed: DO NOT induce vomiting. Give two glasses of water and obtain medical attention
- Eyes: Flush with water for 15 minutes. Obtain medical attention if irritation persists
- Skin: Remove contaminated clothing and flush affected area with water. Obtain medical attention if contact is extensive or prolonged.
- Inhaled: Unlikely route unless atomised. Move to fresh air and obtain medical attention if shortness of breath develops.
